

Harbor Ridge VPO Meeting  
Monday December 15<sup>th</sup>, 2014  
1:31pm – 2:47pm

Attending:  
Jodi Olive  
Britt Mayer  
Lauren Littleton  
Jacy Griffin  
Brandi Waters  
Mike Benoit  
Brian Wickens  
Elysse Gregor +1

(I had to leave the meeting for a bit to tour the field with Facilities and did not end up with the attendance sheet, There were two additional women who attended but their names escape me! Deb and ??)

<b>ASB Report</b> – Elysse Gregor 8 <sup>th</sup>
---

Grade moving on dance: Starting to look at theme ideas. One possibility is a location theme, i.e. NY or Paris.

Student Store – Students are aware that there have been changes to the student store, but were not clear as to why the items had to change. Here are some suggestions of things that students might be interested in purchasing from the student store:

1. Stretch Island Fruit Leather (from Costco or directly from supplier).
2. Frozen go-gurts
3. Popcorn. (Popcorn Fridays?)
4. Steamers – Milk steamers or cider steamers?
5. Non food items: Water bottles

*Note:* Students have expressed an interest in the store being IN the store room rather than a cart in the cafeteria. Often times kids forget to bring cash so it is easier for them to purchase from the commissary.

Students think we need more advertising for what the cookie dough fundraiser is going for. Use Video advertising to be played during prime time. Maybe new idea for next year. Chocolate bars, wrapping paper.

**ACTION ITEM:**

- Ask Dani to check the nutritional guidelines for the fruit leather and check to see if we can use our current oil.
- Jodi to research how much it would be for Soundview Graphics to come up with an HRMS logo water bottles.
- Set up popcorn committee. Will need to schedule 2 people each Friday. Elysse to talk to ASB about granting use of popcorn. (Suggested a popcorn punch card.)
- ASB to put out a questionnaire to students and/or parents as to what we'd like to see in the future.

#### Treasurer Report: Brandi Waters

Treasurer's Report – insurance has changed to \$275, VPO general donations covers it, payment is due in Jan. Student Store profits are low. Last dance \$407 was made which was a huge chunk of the \$776 to date. Wreath sales made \$1,260, approx. \$630 profit for VPO. Best book fair to date, \$500 more than the next best, library now has \$930 toward purchase of new books.

#### Staff Appreciation & Wreath Sales: Jarisa Gregor

Staff Appreciation – sign ups filled up in one day, teachers excited, started today!

Wreath Sales – Jarisa has revamped the order form, she will be passing that off to Jodi for safekeeping for next year. Check to see when Costco gets their wreaths out so that we can beat them to it. Will probably change the award system so that students who sell get the hot cocoa and not the prime time class with most sales.

#### Field Seating Update: Lauren Littleton

Walking the field today with Patrick Gillespie, Director of Facilities to look at the site where we would like to add spectator seating.

#### General Discussion: Gym Floor Pieces, and Fundraiser Ideas

Gym floor pieces – tables, chalkboard, benches, coat racks, frames  
 Sponsor a Dance? - Include Black Light and sell glow sticks  
 Book Fair – host during conferences, send wish lists home.

Jarisa to buy two flash drives for VPO use.

Next meeting to be held in December.
